ABOUT ME

I am a passionate and motivated Software Development student with hands-on experience as a Mobile Developer. I contributed to real world mobile app projects, enhancing both my technical skills and understanding of collaborative development. I enjoy problem solving, learning new technologies, and creating user-friendly mobile applications. I am now looking for new opportunities to grow further, contribute to innovative projects, and bring value to a dynamic development team.

WORK EXPERIENCE

Junior Mobile Developer May 2024 - Oct 2025

Cotafer | Phnum Penh

Assisted in developing and testing mobile applications, collaborating with the development team to fix bugs, implement new features, and ensure optimal performance across various devices.
